Contrary to popular belief, Lorem Ipsum is not simply random text. It has roots in a piece of classical Latin literature from 45 BC, making it over 2000 years old. Richard McClintock, a Latin professor at Hampden-Sydney College in

Virginia, looked up one of the more obscure Latin words, consectetur, from a Lorem Ipsum passage. Lorem Ipsum comes from sections 1.10.32 and 1.10.33 of "de Finibus Bonorum et Malorum" (The Extremes of Good and Evil) by Cicero, written in 45 BC. It was popularised in the 1960s with the release of Letraset sheets containing Lorem Ipsum passages.

It is a long established fact that a reader will be distracted by the read able content of a page when looking at its layout. Normal distribution of letters, as opposed to using 'Content here, content here'.
